# DIGITAL FORENSICS EXAMINER

### PROFESSIONAL PROFILE

Dr. Ladewig has worked in cybersecurity and digital forensics since early 2022. He specializes in imaging digital devices and performing examinations of iOS and macOS devices. Writing clear reports is one of his strengths. His aptitude for learning is accentuated by successfully earning certifications: (a) GIAC iOS and macOS Examiner and (b) CompTIA Security+. He continues to grow into an investigation role in which digital artifacts are researched and reports are written to capture the truth—Veracity.
